### READ THIS.

Lexington, Tenn., June 5, 1901.  
This is to certify that about March last I suffered intensely with my back and kidneys. Just prior to this I had undergone treatment for bladder trouble and was relieved, except the treatment was followed by the above trouble. It was recommended that I try "Texas Wonder, Hall's Great Discovery." I took one dose on retiring at night, and to my agreeable astonishment, I found myself relieved. One dose did the work. There is no hush about this. It is wonderful.  
Respectfully,  
C. R. Scott,  
Proprietor Scott House, formerly county chief clerk, postmaster, etc.

### A TEXAS WONDER.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. Ernest W. Hall, sole manufacturer, P. O. box 629, St. Louis, Mo. Send for testimonials. Sold by all druggists.

He expects to begin the shipment of beans about April 15th, and anticipates good returns, as his product will be choice. He was searched, when the diamonds were found in a pocketbook and the money was discovered inside one of the legs of his drawers. A colored man from Waldo charged that the money had been taken from him on the pretense of a cash bond for a position as waiter at a hotel in St. Augustine, and upon this charge the man was locked up.
